

Reach Statement

With reference to the REACH, the European Directive on Registration, Evaluation and Authorisation of Chemicals (EU regulation 1907/2006) Candidate List SVHC (Substances of Very High Concern).

To confirm the custom moulded rubber, plastic & silicone products produced from elastomer/polymer materials in part combined with metal elements where applicable manufactured by Meadex.

Based on ongoing communications with our suppliers and to the best of our current knowledge, the products supplied to you conform to the REACH directive and do not contain any of the substances listed in the candidate list of SVHC in concentrations above the threshold limit of 0.1%, except for trace amounts from incidental environmental contamination.

Any trace amounts would not be expected to exceed the levels of the usual environmental impact in proportions above 0.1% w/w of any of the Substances of Very High Concern.

Mark Vallance
